

Lacewing survey!

The Bordered brown lacewing is known from only two sites in the UK, at Holyrood Park in Edinburgh and Muchalls in Aberdeenshire. This visit will survey St Cyrus NNR, a possible site for this elusive and fascinating creature.

When: Thursday 11th July

Location: St Cyrus NNR, Montrose, DD10 0AQ

Time: 11am-3pm

Please wear appropriate clothes and sturdy shoes. Lunch is not provided.

For more information and to book onto the survey, please contact Suzanne Burgess at suzanne.burgess@buglife.org.uk and 01786 447504
